In this regard, the General Secretariat sent a letter to Member States and Restricted Unions on 8th February 2023 requesting their models and related documents. However, only the Communication Regulator's Association of Southern Africa (CRASA) and the Southern Africa Postal Operators' Association (SAPOA) shared their model documents. In view of the fact that only few documents had been received, the Policy and Regulation Committee decided, prior to the **41st** Ordinary Session of the Administrative Council held from 29 to 30 August 2023, to instruct the General Secretariat to issue a reminder to Member States and Restricted Unions.

Accordingly, a circular letter was re-sent to them in this regard.

Additionally, the Secretariat General administered a questionnaire on postal regulation in Africa to make up for the lack of response or complement the documents or information provided by the Member States.

II. CONCLUSION

The Policy and Regulation Committee is requested to:

- Take note of the Report;
- Operationalize the thematic groups during the 2024/25 period;
- Make any relevant comments or recommendations
